

Staying COVID Safe at RPC

Dear Friends,

The church elders recently **decided to recommend that masks be worn during the formal part of our Sunday service**. You are now only required to wear a mask IF you choose to sing during the service. We will continue to make masks available at the entry to the church building on Sundays for those who want to wear one for the entire service or while singing. If you would feel more comfortable to stay for morning tea by wearing a mask, please feel free to do so.

Our goal is to keep easing restrictions while maintaining a safe environment. So, thank you for your support of the church leadership and the way in which you have responded so graciously to one another over the last few months as church has returned to meeting in person. We are thankful to God that we can meet in person and resume regular ministries such as connecting with each other over morning tea and Kids + Youth Sunday.

God Bless

Mark Adams, on behalf of RPC Session
